Shotokan Karate - download free Word Doc (.doc / .docx), PDF File ... Classic Martial Arts. A very good and inexpensive quarterly martial arts magazine that has been published since 1963. In addition to articles and reviews in the general section on the various martial arts, it has articles about individual sections and schools, and rules for participating in competitions. There is a section on martial arts which contains articles and materials on martial arts techniques and tactics and on the different karate sections and how to become an instructor. This section also gives advice to beginners in karate.
