By the time they are done, they will be able to produce a spectacular result in a fraction of the time of conventional architecture 3D scenes. . Architectural visualization (archviz) DVD's from Evermotion: "Archviz Architectural Visualization" teaches how to setup and render a 3D environment in one scene. .Q: What does "wat" mean in the song "Baby You're a Rich Man"? The song "Baby You're A Rich Man" by Jay-Z talks about the rich getting richer. In the chorus, there is a line that says: "What they talkin' 'bout, yo baby you're a rich man" What does this mean? I'm guessing it's some form of slang, but I don't know how to look it up on the internet. A: While Jay-Z is specifically talking about having the money and being able to spend it, the basic idea expressed in the lyric is that people have heard about people who can spend money and they want it. The "wat" is short for "what" or "what about" and is used as a rhetorical device to compare one thing with another in a disparaging way. In this context, the meaning is: "You're a rich man, and you have money and you are spending money, even though most people wouldn't know about
